Donation Guide

It all starts with **you!**

Donate to **VHS** **Athletics** today!

Where Excellence becomes Tradition

Each athletic team and its coaches at Vienna High School strives to develop their young players into leaders that will succeed beyond the field of play.

By donating to one of the athletic teams, you play a vital role in the development of our athletes.

Without you, our winning tradition would not be what it is today. Help keep our athletes' dreams alive through the gift of donation.

It all starts with you

My first priority as Athletic Director at Vienna High School is to provide a welcome, supportive and safe environment for the student - athlete.

Donations play a pivotal role in making this happen. From new equipment to new athletic fields, we couldn't compete without your overwhelming support.

Thank you in advance for your generous donation. Whether it's a few dollars or a few hundred dollars, we value your participation in VHS Athletics.

With your continued support, we can ensure a great environment for student - athletes today and tomorrow.

Thank you,

Ross Hill
Athletic Director
Vienna High School
